ADVENTUROUS JEEP SAFARI

INFO

Pick-ups start from approximately 17:15 from Chania.

The tour lasts 4-5 hours.

The max altitude that our tour will be is 700 m.

Introduction of Sunset Tour

Premium Sunset Safari Tour in the Northwest side of the inland of Crete... Allow yourself to indulge in a romantic off-road route experience with the best panoramic view followed by a wine tasting with delicacies platter in a semi private tour with up to 6 or 8 persons per vehicle. Our evening tour begins from Chania city centre and tourist areas, heading towards the White Mountains through uncharted mountain routes. Our premium off-road vehicles driven by well trained escorts will help you enjoy the best panoramic sunset view of Northwest Crete from above.

Detailed Description, Points of Interest

Unpaved off-road routes, with wild and dense vegetation, non tourist places, unique panoramic views, ideal for sunset capture stops, combined with a three wines tasting accompanied by Cretan delicacies platter, are only some of the experiences that you will have in this 4-5 hour premium sunset safari tour.

After our off-road exploration through orange and lemon tree valleys in villages of Patelari, Varipetro, Alikianos and Vatolakkos, we reach an amazing point in the hill of Vatolakkos at 700m altitude where we will have the best panoramic view of the sunset and the possibility to admire the entire city below. After experiencing the sunset, we continue our road-trip to Cretan Villages, full of amazing sights and stories until we reach Manousakis Winery where we will taste their wine.

After the wine tasting, we begin to reach the end of our Sunset Safari tour, driving back to our hotels full of memories, premium service and experiences, adventures and best panoramic views of Chania from above.

Please note this trip is not recommended for people suffering from car sickness, fear of heights or bumpy roads, disabled people or people with mobility problems, children under 7 years old or for any children & adults who for some reason could have issues joining a Jeep tour

REMEMBER TO BRING!
