Rethymnon City

Follow on your journey and start your day with Rethymnon city. It is a place blessed with beauty, embraced by breathtaking mountains and the deep blue of the Mediterranean, decorated with renaissance colors and inhabited by people known for their hospitality, honoring their ancestors and traditions.

The Old Town of Rethymon is a colorful labyrinth of Venetian mansions, historic churches, minareted mosques and elaborate doorframes. Wander the enchanting alleys of the old town and marvel at the 16th-century Venetian fortress. The Fortress dominates the city and makes Rethymmo very photogenic, its pedestrian streets below, strewn with charming old buildings. Venetian influences abound and the minarets and domed mosques remind of the Turkish influence long gone. Feel free to enjoy a swim and taste Cretan delicacies.

Kournas & Argyroupolis Area

Argyroupolis, is the place where the ancient Laapa was built. Many ancient architectural parts and the mosaic floor of an ancient Roman residence is preserved. A lot of water passes in Piges area, creating small waterfalls, lakes and brooks. Enjoy a magical and refreshing walk or a beverage next to the waterfalls, which are responsible for the rich vegetation in the area. An unforgettable experience.

Finish your day of adventure with a cup of coffee next to Kournas Lake which is the only freshwater lake in Crete. The landscape is lovely and relaxing, whether you want to go for a walk in the protected wetlands or ride a pedal on the lake.
